downtown square

One of the most vibrant parts of San Marcos is the Downtown Square, where you can explore many dining options and enjoy a leisurely brunch, dine at charming bistros or get some outrageous burgers. Shop local at stylish boutiques or quirky shops, either way, you'll find something you can't find anywhere else. Experience arts and culture hidden in cracks and alleys. Giant murals begging to be included in your photos. And, of course, seven-foot-tall mermaids.

Because in San Marcos, the good times never end.
